Congratulations to all who took part It was a great day and well supported given the forecast and actual conditions, which were challenging but agreed by all - fantastic. A big thank you to the East Coast Sea Kayaking Club members, committee, friends and families, for supporting us from start to finish. Thanks to i-canoe who supports us each year with a selection of fantastic kayaking kit and vouchers.

Go Brazil, importers of Brazilian wines to Ireland - [www.gobrazilwines.com](http://www.gobrazilwines.com) - who tried so hard to bring a Brazilian atmosphere to sea kayaking in Ireland and providing great champagne and wine! And of course Bray sailing club for the rib crews and warm hospitality.

Don't forget to try to support all the sea kayak races around the country in 2012 and we'll see everyone out again next year!
