Managing numbers at Club Meets

Because of [government COVID-19 health measures in place now](#), ECSKC is limited to a max of 15 paddlers at our club meetings.

The club requests that attendance at meets is booked through the ECSKC web site.

Where it looks like more than 15 paddlers are booked for a session, the club will endeavour to put on another meet, otherwise the club will operate meetings on a first booked priority basis.

Detailed procedure:

- Attendance at meets to be booked through the ECSKC web site.
- Those who cannot (or do not want to) use the site can get another to book their place (incl meet lead). This is important to ensure the meet leaders see how many other paddlers are booked.
- If too many book a place AND a second leader is available, the overflow will be led in a separate group.
- The second group should lead out from a separate location OR separate time (e.g. 30 minutes later).

If no alternative leader is available, the club asks that people in the overflow group (or showing up without booking) respect government restrictions and NOT go on the water with the club.

ECSKC Chairman,

Managing numbers at Club Meets - 05 Sept.
